In the Matter of

Amendment of Section 73.202(b),  
Table of Allotments,  
FM Broadcast Stations.  
(Big Wells, Texas)

MM Docket No. 01-247  
RM-10232

**NOTICE OF PROPOSED RULE MAKING**

**Adopted: September 12, 2001**

**Released: September 21, 2001**

**Comment Date: November 13, 2001**

**Reply Date: November 27, 2001**

By the Chief, Allocations Branch

1. The Commission has before it for consideration a Petition for Rule Making filed by Katherine Pyeatt ("Pyeatt") requesting the allotment of Channel 271A at Big Wells, Texas. Pyeatt stated that she would file an application for Channel 271A at Big Wells if the channel is allotted to the community.

2. We believe the proposal warrants consideration because the proposed allotment could provide a first local FM broadcast service to the community of Big Wells, Texas. Pyeatt submits that Big Wells is a an incorporated community with a population of 829 people according to the Texas State Data Center. Pyeatt also states that Big Wells has its own local government, post office, city hall, fire department and numerous churches that serve the community. A staff engineering analysis indicates that Channel 271A can be allotted to Big Wells consistent with the minimum distance separation requirements of the Commission's Rules provided there is a site restriction 2.1 kilometers (1.3 miles) east of the community.<sup>1</sup> The site restriction will prevent a conflict with Station KUVA, Channel 272A, Uvalde, Texas. Since Big Wells is located within 320 kilometers of the U.S.-Mexican border, concurrence of the Mexican Government will be requested for the allotment of Channel 271A at Big Wells.

3. In view of the fact that the proposed allotment could provide a first local service to Big Wells, Texas, the Commission believes it would serve the public interest to solicit comments on the proposal to allot Channel 271A to Big Wells. Therefore, we will seek comments on the proposed amendment

<sup>1</sup> The coordinates for Channel 271A at Big Wells are 28-34-05 and 99-32-52.

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before November 13, 2001, and reply comments on or before November 27, 2001, and are advised to read the Appendix for the proper procedures. 6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes

an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
